

SUPPORT & DONATIONS POLICY

OUR COMMITMENT

The MND Beast Challenge has been established to raise awareness of Motor Neurone Disease (MND) and encourage financial support for research through FightMND.

Transparency and accountability are fundamental to this campaign. This policy explains how donations and support are managed throughout the MND Beast Challenge.

MONETARY DONATIONS

The MND Beast Challenge **does not** collect, receive, hold or distribute monetary donations.

All financial donations are made **directly to FightMND** through the official FightMND donation platform.

Any donation links published on the MND Beast Challenge website, social media pages or promotional material will direct supporters to the official FightMND donation page. At no time are donations processed through the MND Beast Challenge, Nigel Howard or any associated administration entity.

This ensures that:

- 100% of monetary donations are handled directly by FightMND.
- Donors receive the appropriate acknowledgement and receipt from FightMND where applicable.
- The MND Beast Challenge does not hold or manage donated funds.

SPONSOR, SUPPORTER & PARTNER CONTRIBUTIONS

Businesses and individuals who support the MND Beast Challenge do so by providing **in-kind goods or services** that help make the ride possible.

Examples may include:

- Fuel
- Motorcycle servicing and maintenance
- Tyres and mechanical support
- Accommodation
- Meals and refreshments
- Vehicle support
- Freight and logistics
- Safety equipment
- Clothing and merchandise
- Printing and promotional materials
- Professional services

These contributions assist in reducing the operating costs of the challenge and enable Nigel to complete the journey around Australia.

Sponsors, supporters and partners do not provide cash donations to Nigel Howard or to any administration entity associated with the MND Beast Challenge.

QUESTIONS

If you have any questions regarding donations or support for the MND Beast Challenge, please contact us through the contact details provided on this website.

Thank you for supporting the MND Beast Challenge and for helping us raise awareness and support the fight against Motor Neurone Disease. **One Man. One Bike. One Fight.**
